AMENDMENT TO THE SPECIFICATION

At page 1, please amend the paragraph commencing at line 21 and ending at page 2, line 4 as follows:

To realize this feature, an application called ColorWise made by ~~Adobe company~~ Electronics for Imaging, Inc., for example, supports an International Color Consortium (ICC) profile that is the standard in the color printing trade (refer to "ColorWise 2.0 White Paper Edition" made by ~~Adobe Systems Company~~ Electronics for Imaging, Inc. in United States, June 7, 2000). According to this application, the offset printing or simulation of data output from another copying machine is made by downloading an ICC profile into the printer. Also, the color output is enabled according to the color of a specific monitor or scanner.
